US 60 (GRAND AVENUE) FEASIBILITY STUDY LOOP 303 TO LOOP 101

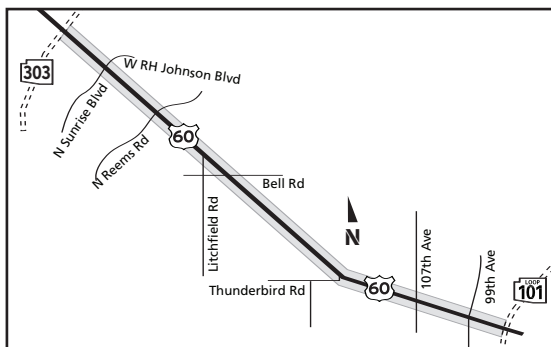

Wednesday, Nov. 7, 2007
Fairway Center
10600 Peoria Ave., Sun City, AZ
2 pm - 4 pm
Open house meeting format

Wednesday, Nov. 7, 2007
Valley Vista High School – Media Center
15550 N. Parkview Place, Surprise, AZ
6 pm - 8 pm
Open house meeting format

The Arizona Department of Transportation (ADOT), in conjunction with its local municipal partners and the Federal Highway Administration, has initiated a study to evaluate potential future improvements to US 60 (Grand Avenue). The purpose of the study is to identify, evaluate and recommend potential improvement projects along Grand Avenue between Loop 303 and Loop 101 that are consistent with the 20-year Regional Transportation Plan (RTP) for Maricopa County and previous studies and recommendations for this corridor by the Maricopa Association of Governments (MAG). ADOT is hosting two open houses to inform the public about the potential projects and provide an opportunity for public input.

Phase II (2011-2016) of the RTP provides \$64 million in funding for “unspecified” improvements to Grand Avenue from Loop 303 to Loop 101 that are consistent with MAG planning studies. ADOT is seeking public input to help prioritize projects for consideration.

Improvements identified as part of the feasibility study would be in addition to the two planned Grand Avenue widening projects between Loop 303 and 83rd Avenue, which are scheduled to be constructed in Phase I of the RTP (2006-2010). These two projects – 99th to 83rd avenues and from Loop 303 to 99th Avenue – will widen Grand Avenue from four to six lanes to create three continuous lanes in each direction.

Both meetings will be held in open house format, where study information in the form of maps and displays will be available for viewing. Representatives from the ADOT design team will be present to answer your questions and address any concerns on a one-on-one basis after the formal presentation. The same information will be provided at both meetings.

For additional technical and project information, or to submit comments in writing, please contact Timothy Tait c/o Northwest Corridor Community Outreach Team at 1146 N. Mesa Drive #102-298, Mesa, AZ 85201. Project Hotline: 480-890-3055 (Para Español: 480-529-3647), E-mail: ProjectUpdate@lewin-associates.com.

Americans with Disabilities Act (ADA): Persons may request special accommodations, such as a sign language interpreter, by contacting Sue Lewin at 602-295-3145 or slewin@lewin-associates.com. Requests should be made as early as possible to allow time to arrange the accommodation. This notice is available in alternative formats by contacting Sue Lewin at the contact information referenced above.
